RE: Proposed Amendment, Zoning Ordinance

## **DRAFT AMENDMENT 34-08-02**

From: Randall L. Yelle  
Zoning Administrator

Political Signs;

1. EXEMPTIONS FROM SIGN REGULATIONS; Section 18.4: (PAGE 118)
  - A. (L) Sign areas may be increased to sixteen square feet provided the sign is so located that no portion of the sign area is located on the public right-of-way---
  - B. (L) Sign areas may be increased to *thirty two* square feet provided the sign is so located that no portion of the sign is located on the public right-of-way---

This was intended to be addressed during the updating of the zoning ordinance; but fell through the cracks, (so to speak)
